New consulting firm in Panama: Incorporating Panama companies and opening Offshore bank accounts

Panama IBC Group INC is the name of this new consulting firm, PIBC focuses on fast incorporations of Panama IBC's using the online order system. Using online callback service and live chat PIBC is the most innovating incorporation consultants out there.

Panama IBC group INC, formed in 2010. Offshore company formation specialist agents based in Panama City, Panama. PIBC assists in forming of Panama IBC's and offshore accounts both private and corporate. PIBC's main goals are customer satisfaction and strive for best customer experience. PIBC's fees are low and competitive while still maintaining high standards.

Panama IBC has 24/7 live support to answer any customer questions once a live agent is available. When there is no time for chatting, you are able to use the callback feature on the site. This is something very unique in this business and PIBC will always strive to be on the front end with new technology innovations.

They also provide opening of offshore bank accounts currently with a bank in St Vincent. The offshore bank has online banking services, forex trading, anonymous credit cards, stock market trading and much more.

Panama IBC Group INC was founded in 2010 but none of the partners are new in the business. Together PIBC has more than 10 years of incorporation consulting world wide. PIBC strives to open more offshore areas later during the year.

Panama, colonized by Spanish in 1590 and liberated in 1819 is located in the isthmus of Central America between Costa Rica and Colombia. Panama is getting more stable for every day that passes and is currently ruled by Mr Ricardo Martinelli. Mr Martinelli has high hopes for Panama and believes in its financial future. In 2010 The widening of the Panama canal started and will continue until 2010. It will employ more than 3,000 and will be great for the future stability of the Panamanian economy.

Panama IBC believes that in next year, more than 90% of the incorporations will be done online, just like any other transaction or purchase. PIBC are fully prepared with all of their systems online.
